### **RECOMMENDATIONS TO THE BUREAU OF PRISONS**

The Court recommends that the defendant receive credit for all allowable pre-sentence jail time served; to wit: one day.

The Court recommends that the defendant be incarcerated as close to his home in the Phoenix, Arizona, area as possible consistent with his security status. If a low security level facility which includes a medical facility in the Phoenix, Arizona area exists where the defendant's medical conditions can be monitored, the Court recommends that the defendant be incarcerated at such facility.

The Court delays execution of sentence until September 1, 2020. If defendant and counsel for defendant feel that the defendant should begin his period of incarceration earlier than September 1, 2020, the Court will modify the date.
